

Annex 2: Technical Bid

LUMSA Procedure (*The Social and Environmental Consequences of Market Reforms: How Property Rights Shape Environmental Conservation, Civic Norms and Gender Roles in Societies* ", n. P2022NTXX5, CUP n. D53D2301787 0001,) n. 1/2024 – (Services)

(Tender for services of service within the scope of project Milestones 1 and 2 (Item C))

Columns 3 and 4 must be completed by the Bidder
Column 5 is reserved for the Evaluation Committee

The Bidder must fill in the form on the following pages:

- Column 2, compiled by LUMSA, shows the requested technical specifications (not to be modified by the Bidder)
- Column 3 must be completed by the Bidder and must detail the offer (n.b. the words “yes” or “compliant” are not enough)
- Column 4 allows the Bidder to comment on the detailed offer, or indicated any references to the submitted documentation

The offer must be clear enough to allow the evaluators to easily compare the specifications requested and the specifications offered.

1. Number	2. Specifications requested	3. Specifications offered	4. Notes, refs. to documentation	5. Evaluation Committee notes
1	Proven experience in data collection and field experiments in the country where the survey is being conducted			
2	Previous experience in research projects and collaborations with international institutions			
3	Quality of the technical-logistical proposal for data collection in 30 villages and 4500 subjects in different provinces			
4	Adequacy of the technical-organizational structure and coherence with the project concept
